Free legal advice services make a huge difference to people's lives.

Legal advice centres give free advice to the poorest and most vulnerable people so they can get justice

We believe everyone should have access to justice. In reality not everyone does. Two thirds of the UK population don't know how to get legal advice and 14 million people who live in poverty can't afford it.

REACHING JUSTICE WALES
CYRRAEDD CYFIAWRNDER CYMRU

Who are we?

Reaching Justice Wales—Cyrraedd Cyfiawnder Cymru (RJW) is a grant-making charity, which raises and distributes funds to support free legal advice services and access to justice for all in Wales.

RJW is one of a network of nine which operate across England and Wales.

The Charity covers a wide area, operating throughout the country.

Who do we help?

- families living in terrible housing conditions.
- elderly people who need support to stay living independently
- people who have been unfairly dismissed or who are discriminated against at work
- people who suffer disability or illness and their carers
- women and children who have been trafficked to the UK to become domestic or sex slaves
- men and women who are working for less than minimum wage

RJW's grants work helps thousands of people like those listed here, and many others in Swansea and throughout Wales.
